

## How to create a SEW – 2- SOW house. 😊

### YOU WILL NEED:

- ✓ Assorted fabrics
- ✓ Stuffing
- ✓ Dried lavender or rose petals.
- ✓ Sewing machine or needle if hand sewing
- ✓ Pins
- ✓ Cotton
- ✓ Scissors

### STEPS:

Step 1- gather a number of different coloured fabrics to make your houses.

Step 2- cut out your templates below

Step 3- pin your house template to a piece of fabric and cut around the outside of the template directly on the fabric

Step 4- repeat step 3 with the roof, door and window templates

Step 5- mix and match the fabric templates to make patchwork houses (two house templates, one door, one window and two roof templates)

Step 6- sew the templates together

Step 7- pin the two houses together inside out and sew around the outside leaving approximately a 1cm gap.

Step 8- turn the house inside out and fill with some lavender or rose petals and stuffing.

Step 9- sew the final gap together.

Step 10- contact CaraCare to arrange a handover of the items.
